

MOVING ESSENTIALS for Moving Made Easy!

Moving Boxes

- Available in small, medium, large, extra large and specialty sizes to accommodate most household items.
- With a variety of sizes and styles, it's easy to find the right sized box.

Tape & Dispensers

- Use Carton Sealing Tape to close and secure boxes.
- Available in a variety of strengths, colors and styles.
- Dispensers allow for easy tape application.

Hand Trucks

- Easily move multiple boxes in one trip.
- Ideal for moving heavy objects such as appliances, furniture, boxes and more.
- Available in heavy-duty steel or light-weight aluminum.

Bubble Wrap

- Wrap and protect fragile items such as electronics, paintings, sculptures and glassware.
- Use to fill empty space in boxes or storage containers to prevent items from shifting.

Newsprint Sheets

- Economical newsprint is great as void fill or for layering between items.
- Pre-cut sheets are convenient.
- Made from 100% recycled paper.

Moving Blankets

- Great for furniture protection, safeguarding home appliances, outdoor use and more.
- Zig-zag stitching holds inner cushioning in place for consistent padding protection.

Stretch Film

- Use to bind, bundle and fasten when moving and storing.
- Film will not leave a residue on products.
- Available in a variety of sizes, styles and colors.

Labels

- Call attention to items that are fragile or require special handling.
- Label boxes with their destination.
- Color code for easy organization.

Markers

- Clearly mark box contents, destinations and special instructions with markers.
- Sharpie® and Marsh® brands available!

Knives

- Use knives to easily open boxes when unpacking.
- Great for cutting stretch film, newsprint and bubble.
- Available in a variety of styles.

Paper Moving Pads

- Protect items from dirt, dust and scratches during moving.
- Apply to fragile items such as wood furniture, artwork and mirrors.
- Made from 100% recycled kraft paper.

Surface Protection

- Provides temporary protection to surfaces like carpet, glass, cabinets and countertops.
- Easy to remove without residue, tearing or slivering.
- Polyolefin film with an acrylic adhesive.
